HOLSTEIN SHOW WILL HE HELD HERE DURING NEXT WEEK

Arrangements Made By Breeders of
Pure Bred Cattle in Mason County
to Give Free Show Here During
Next Week—Attractive
Displays Received.

Some time ago, it will be remembered, that the National Holstein Breeders Association offered to lend to the Mason County Association certain exhibits for a free show in which the people of the community can become more acquainted with the Holstein cow and her attainments and qualities. As the Holstein has been selected as the standard cow in Mason county, the local organization accepted this offer of the National Association and arrangements have been made to hold the show here at Mike Brown's big store next Monday afternoon.

In regard to the big show County Agent George Kirk this morning made the following announcement:

The supplies for the Holstein Exhibit have arrived and the big show window in Mike Brown's store will be full of dope next Monday afternoon. Everything will be to the point and you will be able to learn about cows which give 75 quarts of milk in one day, and almost 52 pounds of butter in one week.

What is more important to you, however, is the portion of the display which illustrates the cost of milk. The cost of feed, the cost of labor, and the cost of marketing will be shown, and you can tell where your 14 cents goes to, and who gets it.

There will be displays which show the relative value of milk and other foods—and no guess work about it. You can tell how much food value there is in a pound of cheese, and how much in a pound of butter. Did you know that children who have plenty of good milk never have rickets? Do you know why? Come and find out.

There will be no charge for admission. The Mason County Holstein Breeders' Association are co-operating with the Holstein-Friesian Association of America in giving this show, and it is educational solely in its purpose.

Mrs. Lamuel Purnell is ill at her home on East Fifth street.

PLANS ALL COMPLETE FOR LIGHT AT DEPOT

Local Agent of the C. & O. Railroad Company Advised That Arrangements Suggested by Company are Accepted and That Permission is Obtained.

Secretary Carl Dods, of the Maysville Chamber of Commerce, today advised Mr. W. W. Wilkoff, local agent of the C. & O. railroad company by letter that the proposition the C. & O. railroad officials had made to the committee of City Officials and business men for the erection of cluster lights in Kirk Place was acceptable and that the city's committee would carry out its part of the agreement. He advised the railroad company agent that already the committee had obtained the permission of the owners of abutting property to run underground electric conduits to the points where the clusters will be stationed.

It is expected now that the railroad company will do its part by having the two clusters installed in the immediate future. One cluster will stand on each side of Kirk Place at the point where the street enters the railroad company's property and they will light the railroad grounds in front of the new station perfectly.

This will be one of the best improvements made in the West end of the city for some time and will be greatly appreciated by the traveling public.

PURCHASES FOREST

Through the firm of Thomas L. Ewan & Co., local real estate dealers, Squire J. J. Thompson today purchased from Mr. and Mrs. T. R. Wilson, their home in Forest avenue at the head of Poplar street. Squire Thompson, who recently moved to Maysville from his farm in the Fern Leaf neighborhood, expects to make extensive improvements in his newly acquired home.

FOREST AVENUE CHURCH TO OBSERVE MOTHERS' DAY

This Forest Avenue M. E. Church will observe Mothers' Day next Sunday with a special program which will be announced in the Public Ledger later in the week. It is expected that an unusually attractive program will be rendered.

FORMER LOCAL PASTOR WILL PREACH ANNUAL GRADUATING SERMON

Baccalaureate Address to Be Delivered to Maysville High School Graduates By Dr. George W. Bunton, of Dayton, Ohio.

Superintendent W. J. Caplinger, of the Maysville Public Schools, announced this morning that arrangements had been practically completed for the annual Commencement exercises for the Maysville High School this year. The last arrangement being just completed when Dr. George W. Bunton, pastor of Grace M. E. Church, Dayton, Ohio, and former beloved pastor of the Third Street M. E. Church, of this city, agreed to deliver the annual Baccalaureate address on the evening of Sunday, June 8, which is the beginning of Commencement week.

The announcement that Dr. Bunton will deliver the annual sermon to the class will be very good news to his many local friends and admirers. While in Maysville Mr. Bunton made many friends and demonstrated that he had great talents but since he has left Maysville he has met with phenomenal success and is now pastor of one of the best Methodist churches in the Ohio Conference of the Methodist church.

Some time ago Prof. Caplinger completed arrangements for the Commencement address with Mr. William G. Lavelle, prominent editor and lecturer. Although yet quite young, Mr. Lavelle has had a wonderful experience in this life. He has been along the line from country editor of a West Virginia weekly to Washington Correspondent of some of the world's greatest dailies and, by the way, he became Criminal Police Judge of Washington City. Mr. Lavelle is now book manager of the Colt-Alber Chautauqua and Lyceum Bureaus and has many friends in Maysville.

The calendar for Commencement week at the Maysville High School follows:

June 8—Baccalaureate Address—Dr. George W. Bunton.
June 9—Eighth Grade Closing Exercises, Colored School.
Tuesday, June 10, 2 p. m.—Class Day.
Wednesday, June 11, 2 p. m.—Eighth Grade Closing Exercises.
Wednesday Evening, June 11—Colored School Commencement.
Thursday Evening, June 12—High School Commencement. Address by William G. Lavelle.
Friday Evening, June 13—Alumni Reception.
June 13—Semester Ends.

HON. S. D. RIGDON DEAD

Hon. S. D. Rigdon passed away at his home at Germantown, Tuesday morning, May 6, tuberculosis being the cause of his death.

Mr. Rigdon was born and spent his entire life at Germantown and was well known throughout this section. He represented Bracken county in the State Legislature twice and once was a candidate for State Senator from this district. He was about 60 years old, and is survived by his wife, two sons, Thurman and Thornton Rigdon, one son, Goebel, dying several years ago. Doug was a whole-souled, clever, hospitable man, with many warm friends in Bracken and Mason counties. He was a member of the Masons and Knights of Pythias orders. Funeral services were conducted Wednesday afternoon; burial in K. of P. cemetery at Germantown.

ILLITERACY COMMISSION GETS \$25,000 APPROPRIATION

Frankfort, Ky., May 8. — Special Judge J. B. Williams decided that State Auditor Greene must pay to the Kentucky Illiteracy Commission the \$25,000 provided in a recent act of the Legislature. Because of the peculiar wording of the act the intention of the Legislature as to when the payment of the appropriation should begin was left in doubt and Auditor Greene desired to be instructed by the court before paying over the money.

BARNSDALE HAMLETT DIES IN LOUISVILLE

Louisville, Ky., May 8.—Barnsdale Hamlett, former State Superintendent of Schools, died at 8:45 o'clock last night at Beechurst Sanitarium after a short illness.

Mr. Hamlett was the only Democratic candidate beaten when the Stanley administration went into office.

BAND TO GIVE CONCERT AT SUNDAY SCHOOL

Arrangements have been completed for the Maysville Boys' Band to play a concert at the Maysville Sunday School on next Sunday afternoon. It is expected that this feature will attract a large number of people to this afternoon Sunday School which is growing by leaps and bounds.

COUNTY TO BE ORGANIZED FOR GOOD ROADS ELECTION

Persons Interested in Seeing Special 20 Cent Road Tax Adopted Will Form Organization in All Sections of County to Push the Election.

Since the Fiscal Court has called a special election in this county on the new twenty cent extra road tax, there has been much interest manifest in many sections of the county among those folks who signed the petitions calling for the election and all others who are interested in seeing Mason county have first class roads.

Although it is not definitely decided as yet it is more than likely that the commissioners will decide on building concrete pikes in many parts of the county. This movement will receive the hearty support of all those people who have anxiously awaited the time when Mason county would have some kind of permanent pikes and roads.

It is understood that an organization is to be perfected immediately with workers in every precinct in the county who will do their best to explain to their friends and neighbors why this extra twenty cent road tax should be voted and why Mason county should have some kind of permanent pikes.

This organization will more than likely be perfected within the next few days and they will make the time count well between now and the date of the election.

AIRSHIPS BROKE UP CHURCH MEETING

It is related that on Sunday morning last, at Crane Creek Church, just as the pastor had said: "Let us pray," some one who was looking out at the window saw two aeroplanes passing over. He made a break for the door after telling in a stage whisper what he had seen, and they say that the whole congregation, including the preacher, followed him to the open to see the unusual sight.

It is supposed the planes were on their way to Mt. Sterling, where they had an engagement in the interest of the Victory Loan. — Plainburg Times-Democrat.

REPUBLICAN COUN- TY CONVENTION

The Republicans of Mason County are called to meet in Convention at the Court House in Maysville Saturday, May 10, 1919, at 1 o'clock p. m. Standard time, for the purpose of selecting delegates to attend the State Convention which meets in Lexington on Wednesday, May 14th. All Republicans of the county are urged to attend this meeting.

CLARENCE MATTHEWS, Chairman.

ONE OF THE BEST FEATURE PICTURES SEEN HERE

"The Heart of Humanity," the great feature picture which closed a three-day engagement at the Pastime Wednesday night, was one of the best pictures ever seen here. It was an unusual war picture and those who failed to see it certainly missed one of the best opportunities ever offered a Maysville audience to see some of the close-up views of the great world war.

WOMEN'S CLUB MEETS TOMORROW

The regular meeting of the Mason County Woman's Club will be held at the club rooms Friday afternoon at 2:30 o'clock.

FOREST AVENUE P. T. A.

The Forest Avenue Parent-Teacher Association will meet Friday afternoon at three o'clock. Every member is requested to attend.

LOCAL CHAUTAUQUA PROGRAM IS RAPIDLY NEARING COMPLETION

Many Noted Lecturers, Attractive Musical Organizations and Successful Broadway Play to Be Features.

It has been stated that this summer's Chautauqua program will be better and bigger than ever. This seems to be true judging from the advances notices sent out by the Colt-Alber management to the cities served by them.

The various sessions to be filled with what are known as double-header programs—two different attractions appearing in the afternoon and two in the evening, giving ticket holders more than has been given in the past. Despite this and the fact that almost everything else has gone up on price, the cost of a season ticket remains the same.

There are seven famous lecturers of national and international prominence to appear during the week, each covering an important topic in his address—a topic on which he is an authority. Just to name them is sufficient. They are Dr. James L. Gordon, "The Gospels of Canada"; Dr. Cecil Grier from Italy; Lieutenant Plead from France; Hon. Charles Summer Lobinger, Judge of the United States Court for China; Frank Bohn, the sensational success of last summer and just back from another trip to Europe; Judge Ben N. Lindsey, the most famous Juvenile Court Judge in the world; and Anzue Tom Skeyhill from Australia, one of the world's greatest orators.

The musical organization are all high class and of a varied nature to suit all tastes, while the big entertainment feature is the production of George M. Cohan's greatest comedy success, Seven Keys to Baldpate, in which Colt-Alber has secured at high cost the Chautauqua right. The play will be produced by Percival Vivian of Ben Greet Players fame, supported by a company of Broadway favorites. The dates for the 1919 Chautauqua are to be announced soon.

BEN MIDDLEMAN IN THE GOOD OLD U. S. A.

Mrs. Ben Middleman this morning received a telegram from her husband, who has been in Europe for several months with the A. E. F., announcing his safe arrival in this country yesterday. He will be sent to a cantonment for early discharge.

BYRD TOWNSHIP MAKES GOOD RECORD

Section of Brown County Is Complemented by Liberty Loan Bulletin.

The Daily Bulletin published by the Central Liberty Loan Committee at Cleveland, Ohio, says:

"Why should we try to tell the story when Chairman E. O. Hayes of Brown County, Ohio, tells it so well himself in the following letter:

"There are birds of brilliant plumage, such as the peacock; there are birds noted for their song, the nightingale for instance; then there are birds that deliver the goods, the stork for example; but to this latter class belongs BYRD TOWNSHIP, also.

"In the Third Liberty Loan they went four times over their quota. In the Fourth Loan they went twice over their quota, and now in the Victory Loan they are the first community to double their quota, and only two weeks gone.

"Their township chairman, I. E. Blackburn, is the best little bond seller that ever planned a button on with one hand while he guided the hand on the dotted line with the other.

"Then of course the people of Byrd Township don't allow anyone to be more patriotic than they, and that helps."

TANK PERFORMS WON- DERS AT ABERDEEN

From reports reaching Maysville this morning it seems that the army Whippet tank which was in Aberdeen late Wednesday was more of a success than the tank which gave a demonstration here last week. The Ohio tank reached Aberdeen late in the afternoon and after uprooting some large trees along the river front, went over the river bank in many places and climbed back opening its machine guns upon the river. The tank and crew spent last night in Aberdeen and left early this morning for Manchester where it gives a demonstration today.

NINE GRADUATES AT HIGH SCHOOL IN ABERDEEN

There will be nine graduates at the Aberdeen High School this year. First exercise of graduation week will be held at the Aberdeen Baptist church Sunday night when the pastor, Rev. Ben Miller, delivers the annual sermon. The graduates this year are all young ladies. They are Misses Enid Covert, Bessie Catron, Lana Dameron, Grace Maddox, Ermine Gray, Emma Glascock, Mamie Porter, Hazel Scott and Bessie Glenn Campbell.

KENTUCKY GOES OVER AS THIS CITY REACHES ITS LOAN QUOTA

Entire State of Kentucky Reached Its Quota in Victory Loan Campaign Wednesday.

Washington, May 8.—The best reports of the entire Victory Liberty Loan campaign reached the Treasury yesterday. Total subscriptions were raised \$2,458,663,000, or 59 per cent of the aggregate desired. The overnight increase was \$398,000,000, of which \$237,000,000 came from the New York District.

Kentucky and Connecticut have officially oversubscribed their quotas.

Subscriptions in the Cleveland district in which Maysville is located and percentage of quota was announced as follows: Cleveland \$199,637,000, 44.3.

All hands in the navy were "piped" to quarters for "Navy Day" in the Victory Loan campaign yesterday when the bond sales were expected to receive a substantial boost as a result of the sea fighters' challenge to the country to "match the navy". Special demonstrations had been arranged in most places, and the navy's slogan will be the appeal used to urge citizens everywhere to buy bonds.

The Navy's subscription is more than \$12,000,000, which is considered a better record than for the corresponding time in the fourth loan, because of the reduced personnel. Competition among the different ships is keen, and the battle ship Utah, with \$24,400 subscribed, is being closely pressed for honors.

The navy yard forces also are in close contest, the Philadelphia and Mare Island plants both having passed the million-dollar mark, with the former leading all yards by \$15,000. The first subscription from Alaska was reported last night, the U. S. S. Vleksburg at Juneau having subscribed for \$41,000 of bonds.

55,816,150 POUNDS OF TOBACCO SOLD AT LEXINGTON

E. W. Spears, supervisor of sales, of Lexington loose leaf tobacco warehouses, stated that more than 325,000,000 pounds of tobacco had been sold on the tobacco markets of the State this season. No official report has been received as yet.

Tobacco sales for the week amounted to 7,350 pounds, which brought \$943.78, an average of \$12.84.

Mr. Spears reports 55,816,150 pounds sold on the Lexington markets for the season for \$21,932,833.08, averaging \$38.40.

CARNEGIE MARRIAGE RECALLS AN INCIDENT

That Although One Possesses Wealth Self-Support Is Best—Makes Own Clothes.

New York.—A long-forgotten and but recently remembered dream of Andrew Carnegie will be fulfilled when his daughter, Miss Margaret Carnegie, United States Navy Ensign Roswell P. Miller are married on April 22. The marriage license was issued Friday.

Miss Carnegie, 22 years old, was born of a late marriage, for the great ironmaster did not marry Louise Whitfield, the heiress' mother, until he was 52.

More than a score of years before his marriage, when Mr. Carnegie as an employee in a Pittsburgh steel mill was known as "Andy," he was chatting with his bosom friend, Roswell Miller.

The two were looking over some steel rails ordered by Miller, then a railroad contractor. A young woman passed and Carnegie, glancing at her, remarked to his friend: "Ross, if I ever get married and have a daughter I'm not going to let her grow up to be a doll. She is going to know something about making her home."

"And if I ever have a boy, Andy," responded Miller, "I hope he marries that girl of yours, or some one like her, because he is going to earn his own living and know how to do it with his own hands."

Twelve years after his marriage a daughter came to the home of Andrew Carnegie, then 64 years old. He is now 86 and she is 22, yet they are chums and have been ever since she could toddle about the room.

When the steel king was 75 years old he spent busy birthday, for Margaret, then 11, had managed to beat him at billiards. He was more tickled than if he had just launched a new \$100,000,000 corporation. Reporters obtained an interview from them. It ran something like this:

"My daughter has managed to beat me at billiards. I'm too busy to talk. I want to see if she can do it again."

With never a thought of the dream he and his friend Miller had voiced many years before respecting their possible offspring, Andrew Carnegie and his wife, who shared his democratic views, began to make a real American woman of the girl who will inherit each part of the ironmaster's \$300,000,000 as he has not given away.

She was taught to cook and sew and clean house. When she first went to school she knew more about house-keeping than most young women know when they marry.

She could market and make clothes and the miniature apartment set apart in the Carnegie mansion at 2 E. Ninety-first street for her special use and experimentation had been furnished and refurnished and arranged and rearranged until it was perfect.

About a year ago, even if Andrew Carnegie had lost recollection of his long-ago dream, Dame Nature stepped in to remind him. Margaret Carnegie was a school friend of the sister of Roswell P. Miller, son of Mr. Carnegie's old chum. He had been driving an ambulance in France, but returned to enter service in the American navy.

He and Margaret Carnegie formed even a stronger attachment than had

existed between their fathers. She was just the kind of girl young Carnegie had promised the elder Miller she would be.

Ensign Miller finally asked Andrew Carnegie if he might marry his daughter. Then it was Carnegie remembered the dream of over half a century ago.

NO MORE RUNNING SORES

J. J. Wood & Son Sells An Ointment Called San Cura That Is a Positive Relief.

It matters not how old, persistent or poisonous the sore is, San Cura Ointment the powerful antiseptic will draw out the poison and promptly heal the sore.

So sure of this are the owners, the Thompson Medical Co., that they have authorized J. J. Wood & Son to sell the purchase price of San Cura Ointment doesn't do all this paper says it will do. No fairer offer was ever made.

R. D. Dutton, Titusville, Pa., says: "My arm was covered with twenty-four running sores and swollen to twice its natural size. San Cura Ointment relieved the pain, drew out the poison and healed the arm in an incredibly short time. It is the greatest compound for healing I ever used."

The healing powers of San Cura Ointment are little short of marvelous. It gives relief, and is guaranteed to help halt rheum, eczema, bleeding, itching or protruding piles, ulcers, boils, carbuncles, chapped hands and chilblains. LIVER DIDN'T ACT DIGESTION WAS BAD

Says 65 year Old Kentucky Lady, Who Tells How She Was Relieved After a Few Doses of Black-Draught.

Meadersville, Ky.—Mrs. Cynthia Higginbotham, of this town, says: "At my age, which is 65, the liver does not act so well as when young. A few years ago, my stomach was all out of fix. I was constipated, my liver didn't act. My digestion was bad, and it took so little to upset me. My appetite was gone. I was very weak."

I decided I would give Black-Draught a thorough trial as I knew it was highly recommended for this trouble. I began taking it. I felt better after a few doses. My appetite improved and I became stronger. My bowels acted naturally and the least trouble was soon righted with a few

RETURNED SOLDIERS SHOULD BE GIVEN PREFERENCE BY CITIES

City Officials Should See That Their Citizens Just Back From War Are Given Encouragement.

In a recent issue of the American City Magazine there appears a very interesting article, quite appropriate to the time. At the present time we are thinking in terms of reconstruction and employment of the returned soldiers.

The world is being replanned and many of the progressive cities are making investigation and plans looking toward a scientific and satisfactory growth. Mr. Brown, of the United States Chamber of Commerce, among the many thoughtful suggestions offered, at the meeting the other evening urged the citizens of Mays-

vile to plan for the city's growth and not expect it to just grow up and everything be just in its proper place.

In the article referred to it states that the National Government is planning a great Federal Highway System and will likely push public works of every nature. It further states that the public works of our people are mostly local and municipal, necessitating that cities jump promptly into a maximum program of local public works, building long deferred bridges, starting the new city hall and expanding the parks, regardless of the fact that a little money could probably be saved by waiting a year or two for lower prices.

The article urges upon the City Officials to endeavor, through organized effort, to make the citizens see their responsibilities and get them to repair their roofs, repaint their houses, build homes, install new furnaces and clear their garrets of broken chairs and wobbly trunks, which idle mechanics can convert into salable and useful second hand goods. This will afford work to the men that want it, at living wages.

The article further suggests that the City Officials of every city publish some such statement as follows:

"Our city intends to see every bona-fide resident safely through the crisis. No soldier returning from war shall be told that society has no use for him or that he may now go tramping from employer to employer vainly trying to sell his services. Neither must those who stayed at home be displayed to make room for the soldier since that merely doubles the amount of necessary adjustment without touching the problem.

Therefore, our city will concentrate in this year the public work that ordinarily would be spread over last year and this year and next year and the year after improving and beautifying and setting in order our municipal household in every sound and ultimately profitable way.

We will push these public works to whatever point may be necessary to absorb the excess supply of local labor."

It was the reproach of England after the Napoleonic wars that for twenty years her streets were full of her maimed veterans helplessly begging on the corners. A future and more enlightened generation will reproach us if we welcome our men from France with speeches and parades and then leave them to tramp the sidewalks from door to door in a frantic search for five hundred jobs!

May it be that our city will first hang out a banner that says to the returned soldiers, "We have good jobs waiting for every one of you!"

Starbald Deafness Cannot Be Cured

By local applications, as they cannot reach the diseased portion of the ear. There is only one way to cure starbald deafness, and that is by a constitutional remedy. Starbald Deafness is caused by an inflamed condition of the mucous lining of the Eustachian Tube. When this tube is inflamed you have a rumbling sound or imperfect hearing, and when it is entirely closed, deafness is the result. Unless the inflammation can be reduced and this tube restored to its normal condition, hearing will be destroyed forever. Many cases of deafness are caused by catarrh, which is an inflamed condition of the mucous surfaces. Hall's Catarrh Medicine acts through the blood on the mucous surfaces of the system.

We will give One Hundred Dollars for any case of Catarrh that cannot be cured by Hall's Catarrh Medicine. Circulars free. All Druggists, 75c.

Points in the Moline's Favor

There are many points in the MOLINE'S favor when the question of what Farm Tractor to buy comes up. To put them all in print would make a long, long story—but to make a long story short—

POINT 1—The MOLINE is the ONLY tractor with electric lights and self-starter. You don't have to quit important plowing or other work just because the sun goes down. Just turn on the lights and keep right on. The MOLINE will work 24 hours a day for you. Never mind the weather. If it rains on Monday, you can do 2 days' work on Tuesday to make up for it.

POINT 2—The MOLINE is the ONLY tractor that cultivates the seed in the soil.

POINT 3—The MOLINE is the ONLY tractor that reverses and goes around a stump or rock. You drive the MOLINE same as an automobile. Drive backward as well as forward.

POINT 4—The MOLINE is the ONLY tractor that cultivates two rows at a time.

POINT 5—The MOLINE is the ONLY tractor that can be turned around in a 16-foot circle and can be put in a small-sized shed.

POINT 6—The MOLINE is the ONLY tractor that has a device to lock the differential and give perfect traction in soft ground.

POINT 7—The MOLINE is the ONLY tractor that will start and finish a field without a horse.

There are SEVEN points—"one for every day in the week." For more "points" or a demonstration, phone, see or write

HAVE YOU A BAD BACK?

If You Have, the Statement of this Maysville Resident Will Interest You.

Does your back ache, night and day? Hinder work; destroy your rest? Does it stab you through and through?

When you stoop or lift or bend? Then your kidneys may be weak. Often backache is the clue. Uric acid and its ills. Make the burden worse and worse. Liniments and plasters can't reach the inward cause at all; Help the kidneys—use the pills Maysville folks have tried and proved.

What they say you can believe. Just to give you further proof, The kidney action may be wrong. If attention is not paid, More distress will soon appear. Headaches, dizzy spells and nerves. Read this Maysville woman's account.

See her, ask her, if you doubt. Mrs. W. A. Schatzmann, 605 East Second Street, says: "From the benefit I have received from Doan's Kidney Pills, which I buy at Ochsner's Drug Store, I have every reason to recommend them. Whenever my kidneys have been irregular in action or I have suffered from weakness and lameness in the small of my back, I have used Doan's Kidney Pills. They have always proven sufficient to quickly cure and attack."

Say It With FLOWERS

Do not forget your best friend on Mothers' Day Sunday, May 10.

The Nation has declared that on this noble festival, we should express our sentiments with flowers. The carnation is the popular flower to send. Bright ones for mother's living and wear white ones in mothers memory.

For those who wish to spend a little more, roses or a nice basket of flowers tastefully arranged will brighten mother's favorite room.

BUILDING SUGGESTED AS PROPER MEMORIAL FOR HERO SOLDIERS

Interesting Discussion on What Memorial For Hero Soldiers Should Be Like in Civic Magazine.

The American City, a magazine devoted to the publication of all matters pertaining to Civic Development, has the following to say in regard to Soldier Memorials:

"More than any other war of history, this one has been fought for a principle—for liberty and the safety of democracy. Principles may be depicted in stone or pictured on canvas, but such representations, however beautiful or symbolical, will not have life. A principle can live only in the lives of men, and if it is our purpose to perpetuate the cause for which the great

war was fought, we must constantly reiterate and teach the principles of liberty and democracy to each succeeding generation.

"This suggests that a memorial worthy of the recent conflict be dynamic, it must be a building that shall honor the dead by immortalizing the principles for which they made the supreme sacrifice; it must be a building commemorating the service of the living by giving service, rather than a statue or a shaft in which there could not pulse the life blood of a new day."

The City Council, several months ago discussed the proposition of erecting some form of memorial to the Soldiers and Sailors of Mason County that have made the supreme sacrifice as well as those that sacrificed the ordinary conveniences of home life and offered their life to their country.

This committee has endeavored to hold several meetings but have not met with the desired success in securing a quorum. These men that have accepted membership in this joint

committee of the City Council—Chamber of Commerce and Fiscal Court should feel that this matter deserves better attention than they have given.

If time prevents their serving on the committee their resignation should be handed to the Chairman. This is too important a move to be handled in a careless and flimsy manner and our Mason county boys should not be permitted to say that the citizens were merely talking and had no intentions to erect a memorial.

Mason county is more able to erect suitable memorials than many counties that already have them under way. In announcing plans for a Soldiers and Sailors Memorial on its Civic Center, the Commercial official organ of the Denever Civic and Commercial Association said:

"The Civic and Commercial Association has found the consensus of the best opinion to be not in favor of statues, fountains, archways or other ornamental but non-useful memorials but rather a building that will stand

for all time and house works of art, mementoes and gatherings."

This Committee should endeavor to learn if the citizens are really desirous of erecting a memorial, then secure the consensus of opinion as to the type that is desired erected and report to the City Council the fruits of their investigation.

\$116,359 DECREASE IN RAILROAD ASSESSMENTS

Frankfort, Ky., May 7.—The State Tax Commission has completed the assessment of the railroads of this State fixing the total value of same at \$159,845,028, which is a decrease in the value from last year's assessment of \$116,359. The total value of the tangible property of the railroads is placed at \$105,063,031, and the total franchise value at \$54,781,997.

The decrease in the value of the railroads is due to a falling off of the income during 1918. The total value of the railroads for 1917 was fixed by the commission at \$169,261,357, which was an unusually high valuation, brought about by seventeen companies showing abnormal incomes for that year.

Manufacturers Hold Much Tobacco
According to Report Made Under
Cantrell Act.

Supplies of leaf tobacco in the hands of manufacturers and dealers on the 1st of April 1919, according to the latest available Government statistics, were unusually heavy, aggregate holdings showing an increase over the corresponding date last year of 162,065,165 pounds, or 11 per cent. As compared with stock on hand at the first of the year, an increase of 392,348,480 pounds, or 31 per cent, is indicated. All classes of chewing, smoking, snuff and export types were held in larger quantities on April 1, 1919, than a year previous, the total showing an increase of 177,562,431 pounds, or 16 per cent. Compared with January 1 there was a gain of 342,616,370 pounds or 37 per cent.

Cigar leaf types are the only line to show a decrease in contrast with stock on hand a year ago, being 16,426,729 pounds, or 5 per cent, smaller. An increase of 49,256,818 pounds, or 19 per cent., over January 1, 1919, was recorded, however. Imported types held on April 1, 1919, made a gain over the corresponding date last year of 929,462 pounds, or 1 per cent, and were 476,292 pounds, or 1 per cent, heavier than on January 1, 1919.

ROSER PROPERTY SOLD AT AUCTION AT GOOD PRICES

New Fire Proof Garage Is Said to Be Contemplated at West Second and Wall Streets—Cahill Buys Market Street Property.

The property of the Roser heirs was offered at public sale today with Col. H. C. Hawkins, of Maysville, in charge of the hammer. Despite the very bad weather, there was a very good crowd of people at each piece of property offered to see it sell.

The two store rooms in lower Market street were sold to Mr. Jacob Cahill for \$3400—\$4200 cash. They are both good buildings located in the very heart of the business district and will make splendid business property.

The large building at the corner of West Second and Wall streets was purchased by Mr. Joseph Caproni, wholesale fruit and vegetable dealer for \$2525. It is understood that Mr. Caproni contemplates the erection of a fire proof concrete garage on this corner in the very near future.

The Roser home on East Front street was sold to Mr. Morris Coughlin for \$3395.

James Wall who was released on bond in Squire Fred W. Bauer's court Wednesday where he is charged with assault and battery, was arrested again this morning by Constable James McNamara when he was found drunk on the streets and lodged in the Mason county jail on a charge of being drunk.

MAYSVILLE GIRL TAKEN IN CHARGE BY NEWARK OFFICERS

The local police were advised by telegraph this morning that Orphie Rankin, the Maysville girl who left here Tuesday for Newark, Ohio, to join the Rubin & Cherry Shows, had been taken in charge by them at the request of the girl's mother here. The girl's mother wants a local officer to go to Newark to return her here but as both Chief Ort and Mayor Russell are out of the city no action on the matter can be taken until one of them return here.

CROP CONDITION OVER KENTUCKY IS REPORTED GOOD

Rainfall of Past Week Favorable to Plant Growth—Fruit Nearly All Killed by Freeze.

Louisville, Ky., May 8.—The summary of weather and crop conditions for Kentucky for the week ending yesterday, issued by the Louisville Weather Bureau follows:

"Seasonable temperature and moderate rainfall during the week were favorable for plant growth. The rains and warmer weather improved meadows, pastures, gardens, and potatoes. Germination of seeds was hindered by the low temperature of the past week, resulting in a poor stand in some cases. Tobacco plants are generally doing well, being only slightly injured by the cold of last week.

"Reports indicate that wheat was slightly damaged in the eastern counties by the cold spell, but it continues in good condition generally and is now growing well.

"Corn planting continues under fairly favorable conditions, except in some localities where it was hindered by rain. The first planting is coming up and shows a poor stand.

"Further reports indicate that fruit was greatly damaged by the freeze of last week, especially in the central and eastern counties, where it was nearly all killed. In the western part of the State some apples and peaches and most of the small fruits seem to be safe."

26 COUNTIES HAVE VOTED TWENTY CENT ROAD TAX

Frankfort, Ky., May 8.—Twenty-six counties in the state have voted the 20-cent road tax. Commissioner of Public Roads Rodman Wiley said that a careful examination of the counties that have voted the tax will show that many of these have better roads than some counties which defeated the tax. When the adoption of the 20-cent road tax was before the voters of Perry county but seventy-two votes were cast against it.

The counties that have voted the tax are Fayette, Shelby, Franklin, Nelson, Mercer, Pike, Hopkins, Owen, Washington, Grant, Muhlenberg, Henry, Carroll, Fulton, Carlisle, Livingston, Letcher, Martin, Wolfe, Owsley, Estill, McCreary, Butler, Cumberland, Hancock and Perry.

AUTO WITHOUT LICENSE WAS IN TRANSIT

Officer William Tolle this morning took in charge two young men who were driving about town in a Ford touring car which carried no license tags. The young men said they were C. & O. railroad employees from Ashland and that they had just purchased the car from a second hand dealer in Cincinnati and were returning home with it. The police investigated, found their story was straight and released them.

GETTING READY FOR BIG SALE

The management of the Maysville Suit and Dry Goods Company is now making extensive arrangements for the beginning of a great sale at their store on next Saturday. Stock is being marked so as to move. The managers of this popular concern desire to keep their stock clean and in first class shape and plan by this sale to move off stock to give them room for the spring and summer styles which are now crowding them.

NICHOLASVILLE WAREHOUSE BURNS WITH \$20,000 LOSS

Nicholasville, Ky., May 8.—Fire of unknown origin destroyed Ashley's warehouse here at 10:30 o'clock last night, with a loss of \$20,000. The warehouse contained a large quantity of hemp and grain, none of which was saved.

The regular monthly business meeting of the First Baptist church will be held at the church this evening immediately following the weekly prayer service. The members are requested to be present.

Several Maysville and Mason county people are in Lexington this week to attend the races which are reported to be unusually attractive this year. Many folks are making the trips through by automobile.

Mr. and Mrs. J. R. Davis received a wire this afternoon from their son, Keith, who has been overseas since last September, saying he would reach home tonight.

If there's a better coffee than Rookwood, we'd sell it, but there isn't so we sell "Rookwood". If you don't drink Rookwood you are certainly missing a great treat.
